

River Run Dog Park, LLC

River Run Dog Park, LLC is pleased to offer an area for local dog owners to bring their dogs to run and play, as well as socialize with other dogs. The approximately 6-acre park offers numerous trees and shrubs throughout the gently rolling landscape along with water access to the Crawfish River on its western boundary. There is also a smaller enclosed area inside the park reserved for puppies, small dogs, and dogs with special needs. The park opened in September 2005.

To keep your pet safe and be considerate of other park users, please read and obey the following rules and regulations:

Permits:

An annual permit (valid January 1 -December 31) is required. Permits and dog park tags can be purchased at CCVC during regular business hours (Mondays & Wednesdays 8-7:30pm; Tuesdays, Thursdays, and Fridays 8-5pm; Saturdays 8-12).

- \$40 per year for 1 dog
- \$15 per year for each additional dog
- Daily permits are available for \$3 per day for 1 dog and \$1 per dog for each additional dog. Day permits are available at CCVC or at the park in the kiosk.

Hours of Operation:

Dawn to dusk, 7 days a week, year-round

Leash Policy:

River Run Dog Park is an off-leash facility. Dogs however must be kept on a leash until inside the park area. All dogs must be under complete voice control and within eyesight of the owner. If you cannot control your pet off-leash you will need to keep your pet leashed at all times for the safety and enjoyment of all users.

Children at the Park:

River Run Dog Park is a park for dogs. Not all dogs are socialized to children, and being around children may increase the stress level for some dogs.

If you are a parent with children, and you intend to bring your children to the dog park, please be aware of your children's behavior. Do not allow your child to pet an unknown dog, and do not allow your child pick up any dog in the park.

If you are a dog owner, please gently remind parents with children to be mindful of their children, and if necessary, gently remind children that this is a park for dogs, not a petting zoo.

Vaccinations:

A current rabies certificate and tag is required, therefore dogs must be over 3 months of age to enjoy the park.

RRDP does not require but strongly recommends current (within past 12 months) vaccinations for the following diseases:

- 6-way Distemper (Hepatitis, Parainfluenza, Lepto (4 serotypes), Parvo)
 - Corona Virus
 - Bordetella (kennel cough)

Identification:

A required River Run Dog Park ID tag must be worn by the pet.

Clean Up:

- You are responsible to pick up ALL fecal matter from your dog.
- Bags and waste receptacles are provided (at no charge) at several locations in the park

Water Access:

The park does have gated access to the Crawfish River (approximately 300 ft. along the west side). You are responsible should your dog enter the water. Do not allow your dog to go beyond the fence line (on the north and south end of the park) and do not allow your dog to exit the river on the other bank of the river (all of these areas are private property and access to them could jeopardize the river access to everyone).

Injury/Liability:

- RRDP is not responsible for any injury to the pet or the owner while using the park.
- A waiver of liability will need to be signed at the time of purchasing the annual permit.

Dog Conflicts:

Any altercations between dogs must be reported to CCVC during regular business hours or in writing to CCVC at PO Box 336, Columbus, WI 53925.

Aggressive Dogs:

- Aggressive dogs are required to be leashed at all times.
- If a dog is aggressive towards another dog and the incident is reported to CCVC, that dog is only allowed in the park while on a leash less than 6' long.
- If a second aggressive incident is reported, those dogs will be restricted from the park by revoking their permits.

Additional Information:

We encourage all owners to not allow their dogs to dig. This creates holes which can be a hazard for not only other dogs, but people as well.

The RRDP does not provide drinking water for the dogs. Many users bring their own water source.

These rules are set up to make the park a pleasant experience for both the dogs and their owners. Any violations of these rules can cause problems (both physical and health aspects) and jeopardize the experience for everyone. If you see any violations occurring please report them in writing to CCVC, PO Box 336, Columbus, WI 53925.

All rules/regulations and fees are subject to change. (2/11)
